In keeping with the San Jose Catholic School Parent-Student Handbook, my family will adhere to the following principles and statements:

1. As the guardian, I will ensure that each child will be given their own device for at-home learning (1:1 device at home).
  - a. Should the family not have one device per child, the family agrees to work with the school to arrange the purchase of a device or rental of a school-owned device.
2. Students will be expected to login to the video classroom prior to 7:45 a.m. and will be live on video with their class until 2:50 p.m.
  - a. Students must have their video enabled at all times while attending class
  - b. Virtual backgrounds will only be permitted pending teacher approval
3. Tardies and attendance will be tracked for every class. Should a student fail to join class via live-stream or leave early from the live stream (prior to 2:50 p.m.), the school will follow our Parent-Student Handbook protocol for tardies and absences.
  - a. Habitual tardiness or absenteeism may result in the family meeting with the school leadership team to discuss a transition plan for the student returning to campus.
4. **Video recording, screenshots/recordings, or photography of the live stream of any kind will be strictly prohibited.** Whether from the device used to access the live-stream class or any other device.
5. Students will be expected to uphold the Code of Conduct, Acceptable Use Policy, and Parent-Student Handbook at all times. Violations may require a conference with teachers and/or the leadership team to discuss appropriate consequences.
6. Students will wear appropriate school uniform each day.
7. Families are encouraged to set-up students in a monitored common space in their house.
8. Students are expected to engage and participate fully, just as if the student was in the classroom.
9. San Jose Catholic School reserves the right to enforce our handbook and may require student to return to on-campus learning at any time should there be a violation of these agreements, our handbook policies, or if inadequate growth/progress is made during home-based remote learning.
