**Subject:** News and Updates

Good afternoon San Jose Families.

On behalf of the San Jose Catholic Church and School Administration, I would like to apologize for the internet and phone outages today. Know that we were in contact with Comcast throughout the school day. We are hopeful that all our services will be back up and running in the morning. Students who were scheduled to be logged in via Microsoft Teams will be marked present and will not be penalized.

Last week we had our 2nd quarter Core Values and Honor Roll recognition. The awards can be viewed using the link, [https://youtu.be/2HkcFK\\_e\\_RY](https://youtu.be/2HkcFK_e_RY). Congratulations to all of our students who were recognized for their achievements in the 2nd quarter of the 2020-2021 school year.

In addition, please review the attached COVID letter from the Office of the Superintendent. While there have been 2 additional positive cases, there have been no cases identified as a result of on-campus transmission. Our teachers and staff continue to be diligent with cleaning/ disinfecting procedures and following social distancing guidelines to the best of our ability. We ask that if your child does not feel well, please keep them home from school.

Thank you for your continued support.

Blessings. Jenny Studer, M.Ed. Principal, San Jose Catholic Church and School

**Subject:** Happy New Year

Happy New Year San Jose Families!

With the New Year, it is time for new beginnings. We are sad to see "Senor Jotero" go, but we are very excited to announce our new World Languages teacher, Mrs. Indira Alvarado. Please see their messages below.

*I want to take this time to THANK YOU for the opportunity (and bearing with me) to teach Spanish for the past few months. I know this has been an experience I'll remember and cherish for years to come. I promise, if there is a next time, I'll get better at Schoology.*

*A few short months ago I was a regular dad of three kids attending this school, doing car line, and now feel fully immersed in this experience/place. I'm hooked. I was able to be a fly on the wall(that also handed out/graded assignments) getting to see the San Jose gears at work and be a part of each class. I've seen the faculty's dedication, commitment, and tireless efforts in caring for our kids and I am proud to say the least. Their leadership, guidance, PATIENCE, and kindness towards me as I made my way through this experience is second to none and I'm forever grateful.*

*The kids here are amazing. We've laughed, had candy, collaborated on worksheets, some watched Coco(and never finished (except one class)), I got to learn about your family, did a project on countries, had a class or two outside, and had a blast the whole time being around these young minds.*

*I'm more excited than ever to be a part of such a great community and look forward to spending the next 10+ years here. Please don't hesitate if there's anything I can be doing for you and yours as I'm more than happy to help. Have a very Merry Christmas, a wonderful New Year, and I look forward to what the future holds.*

*Hasta Pronto. All The Best, Joey Peters*

*I was born and raised in Panama, my mom is from Panama and my father was from India. I am the third of 5 sisters. All my education was done in Panama in Catholic institutions: From K to 12<sup>th</sup> grade at Saint Mary's Academy and my higher education (Bachelor's, Undergraduate and Master's) at Santa Maria la Antigua University. My husband, Ricardo, is a retired US Army Master Sergeant, and due to his government service, we lived in the UK for almost 3 years and in Puerto Rico for almost 3 years too. I volunteered in all schools my children have attended to (UK, Military base schools and private schools in Puerto Rico).*

*Before moving to the United States, I worked for 15 years in the Panama Canal Commission as a Supervisory Administrative Assistant. At St. Patrick's I started as volunteer homeroom mother for 7<sup>th</sup> grade, then long term substitute for PE and then Spanish Teacher for 1 ½ along with Teacher Assistant for grades 3<sup>rd</sup> and 4<sup>th</sup>.*

*In my free time I enjoy, reading, running, traveling, watching Jeopardy and Wheel of Fortune. I also love watching any type of sports, but my favorite is soccer (my favorite club is FC Barcelona).*

*I have 2 children, Richard (attends Bishop Kenny as a freshman) and Katherine (attends 7<sup>th</sup> grade at St. Patrick Catholic School). I am excited to join the San Jose family and I am looking forward to a great year!*

*Mrs. Alvarado*
