Grades 2 - 8 Ideally students should take AR tests before returning to school on August 11. However, in case of any unforeseen circumstances, students will be given the opportunity to take summer reading tests until August 18.

*Students will be participating in **classroom activities/assessments** based on their assigned book within the first two weeks of school.

Grades 4 - 8 will be responsible for completing a math computation packet in addition to their summer reading assignment. The math will be graded in class within the first five days of school.
